

All-in-One Tablet POS Solution

Smart POS

Flexible, Compact & Effective POS

- Smart (Tablet) POS is re-engineered to take less space and free up cable cluster at the billing counter makes it ideal for Retail & Hospitality business operations.
- Compliments to work seamlessly with Barcode scanner, Weighing scale, Keyboard/Mouse & other accessories which makes Smart POS a powerful tool to run business cost effectively.
- Sturdy stand design ensures compact placement of POS Printer, Scanners & Tablet, with firm locking mechanism that provides easy 180degree screen swivel for cross product promotion apart from billing.

Smart POS
