

Configurable POS Box

TX-6100 Series

Best Value Fanless POS Box

The TX-6100 Series is a no-frills fanless POS Box with all the essential functions and capabilities to satisfy businesses of all sizes, and represent one of the best value choices for the SME retail segment.

TX-6100 Series

Compact and Flexible

The small footprint and VESA mounting points of the TX-6000 Series allow easy installation in anywhere you need a Point-of-Service system.

Fanless Technology

Fanless design boasts anti-dust and silent operation advantages to meet the requirements of harsh and quiet environments, respectively.

Expandable and Configurable

Connect to a series of POS peripherals and options for greater productivity and flexibility to fit in your store environment.
